Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

In inviting Kind reference to this office No: 122 dated 28th August 1903 submitting for sanction revised District Fund Budget of this Local Fund Circle for the current year, I have the honor to state that the budgetted receipts for the year 1903-1904 including the probable opening balance of Rs 20,368/- are estimated at Rs 63992/-. Deducting out of this sum, the estimated total expenditure of Rs 54810/- there will remain at the close of the year a balance of Rs 9182/- which would fall short of the prescribed minimum by Rs 1724/- More than two-thirds of the budgetted receipts viz., Rs 40,340/- have been set apart to meet the Cost of Civil Charges and

also

also of works to be undertaken by the Public Works Department during the current year. The remainder viz Rs 23652 minus the Closing balance has been distributed as shewn in the margin. Of these the sum of Rs 4840/- has already been utilized in sanctioning well and other works which were included in the original sanctioned District Fund Budget of the current year, received with Government Proceedings No. 6085-96 / L.F. 10-03 dated 15th May 1903. I beg, however to state that the estimates as detailed in the appended statement have been from a long line, pending sanction in this office for want of funds and that some more estimates relating to works of sanitary improvements in villages affected by plague are also shortly expected. The recrudescence of plague in several villages of the Davangere Taluk and the Sub-Taluk of Harihar has rendered the sanitary improvement of these villages a work of urgent necessity by opening out congested parts, laying out new roads and lanes and by filling up manure pits &c. But the funds at the disposal of the Board are quite insufficient to meet these Charges. In these circumstances

1. Works to be undertaken this year including repairs } 4840
Incomplete works of previous years requiring appropriations or their Completion } 9630
Closing balance } 9182
Total 23652

L.B. 10 of 03

I beg that you will kindly move Government to be pleased to sanction an allotment of Rs5000/- from Local Funds General for expenditure during the current year on the aforesaid works. The allotment will be distributed over several Talukhs of the District according to their requirements and the works to be undertaken will be determined upon after discussion with official and non-official members of the District Fund Board at the next meeting to be held in November ensuing.

I have the honor to be,

Sir,
